

This is an invitation for you to join Ledbury Community Choir

Ledbury Community Choir is a 80-strong mixed-voice, four-part choir with members drawn from the town and surrounding villages of Ledbury, Herefordshire.

We ask only that you can sing in tune. Learning to 'read' music is part of what we do and practice CDs are provided for your part.

We are keen to welcome those who have never sung in a choir or for whom music and singing has been something they'll try 'one day'.

The wearing of suspect moustaches is not compulsory and facial hair of any kind is optional.

We sing songs from film, television, stage shows; the Great American Songbook; songs of the British Isles and World Music, and from popular classical collections.

We have a lively social side to the choir; parties, dinners, quizzes, dances, trips to shows and foreign travel to our twinned choir in Stromstad, Sweden. We also take part in Ledbury Carnival, carol services and other town events.

COMMUNITY CHOIR

We practice weekly on Mondays, 7.30 to 9.30 pm at Ledbury Rugby Club, Ross Road. Come and give us a try. We will make you very welcome.
